# Frequently Asked Questions (FAQ)

## **What are the top 5 reasons to attend the MPP Academy?**

Please review the [5 Reasons to Attend the MPP Academy video](#) to learn more.

## **What are the program dates and locations?**

Due to COVID-19, All MPP programs have been canceled for summer 2021 until further notice. We hope to offer our on-campus residential programs at all program locations in the states listed below, starting summer 2022. We are currently working with the universities that host our programs each summer to finalize [program location and dates](#).

In the event COVID-19 persists and does not allow for us to operate our residential program in 2022 we will operate virtually. We will accept applications for students to enroll in the MPP Academy as an online student.

- Programs at NAPCA have not been canceled since we opened our doors in 2009. We have been very fortunate. In the event that a NAPCA program session needs to be canceled, the decision will be based on causes beyond NAPCA's reasonable control, including, but not limited to, acts of God, acts of war or terrorism, fire, insurrection, laws, proclamations, ordinances or regulations, strikes, lock-outs or other serious labor disputes, riots, contamination or disease affecting the use of program facilities, earthquakes, floods, explosions or other acts of nature. For these reasons, students will receive a full refund minus the non-refundable deposit. However, the total amount of the non-refundable deposit paid can be transferred to the next available program session.
